For the attention of Mr. C. Fletcher

Dear Sirs,

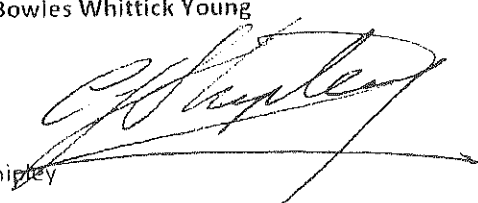

RE: Outbuildings to the rear of 25/27 Market Place, Pontefract.

Following my visit to site on 2 April 2009 I confirm, subject to your workmen completing infilling the holes in the existing driveway and a final sweep up, which should be completed by noon on that day, that the works have been completed to our satisfaction.

We would like to thank you for the professional and organised way you carried out the works, and it was a pleasure to work with you, and we would have no hesitation in putting your name forward for any demolition works we may be involved with in the future.

Under the terms of the CDM Health & Safety Regulations please complete the Health & Safety File and forward to Mr. J. Bower at Greggs Plc.

Yours faithfully,
For Bowles Whittick Young

C. Shipley
