Re: McFletch Limited

I have been asked by Chris Fletcher to supply you with a reference for his company for the recent projects undertaken by McFletch Limited on behalf of Enterprise Peterborough.

McFletch have delivered two demolition projects for Peterborough City Council within the last two years.

- One being the demolition of a large redundant leisure facility - value of contract - £63,380
- The second being the demolition of two large steel portal frame retail units – value of contract – £47,950

Both projects were awarded following a competitive procurement process.

McFletch have demonstrated through this process competitive prices and compliance with required Health and Safety standards, CDM regulations etc.

Both projects were delivered within required timescales and both sites left at completion tidy and in compliance with the specification.

McFletch have clearly demonstrated their experience in this discipline both in terms of the equipment that have used on the projects and the way in which the on site processes have been managed and progressed.

Nursery Lane Depot, Fengate, Peterborough PE1 5BG
